

THE FOLLOWING MUST BE DONE TO EACH CAR BODY PRIOR TO BAY SIDE RECYCLING ACCEPTING THEM, BUT NOT LIMITED TO THE FOLLOWING RULES:

If the vehicle has been licensed within the past 10 years,

YOU MUST PROVIDE US WITH A CLEAR TITLE.

- Gas tanks must be REMOVED and totally off the vehicle. We will accept the tanks but they must be COMPLETELY EMPTY
- Air Conditioning must be Professional Pumped out. (ABSOLUTELY NO CUT LINES)
- NO battery cable ends. Bay Side will accept the Lead cable ends at no cost
- ALL FLUIDS MUST BE DRAINED: OIL, RADIATOR, TRANSMISSION, BRAKE FLUID, WASHER FLUID
- Mercury switches must be removed. Bay Side will accept the mercury switches only if they have been removed
- Tires must be removed and disposed of by the customer
- Cars CANNOT contain any TRASH and/or stuffed with any loose scrap iron
- Hoods and Trunks (on non semi loads) must be OPENED prior to pulling on scale
- ABSOLUTELY NO PASSENGERS or HELPERS will be allowed in the yard to assist the driver of the vehicle during unloading
- Please make sure all lug nuts are loose and tie downs and tarps are easily removable
- NO CAR BATTERIES

Customer Must Provide VIN NUMBER to Bay Side Recycling. If the vehicle has been licensed within the past 10 years,
YOU MUST PROVIDE US WITH A CLEAR TITLE.

BaySide Recycling Will Verify VIN Number - [Click Here](#) for Vehicle Scrap Form

AUTOS NOT MEETING THESE REQUIREMENTS WILL BE REJECTED IMMEDIATELY AND NOT ALLOWED INTO THE PLANT

PLEASE GOVERN ACCORDINGLY
